What to SEE & DO

The Allentown area is fortunate in having the finest selection of restaurants in Buffalo, within its boundaries. Our holiday issue has a complete listing of the high quality, dining out facilities which are waiting to serve you.

Join your friends for dinner and enjoy the holiday season meeting the friendly restaurantours of Allentown.

Elegant Dining

THE CLOISTER, 472 Delaware Ave. at Virginia St., 886-0070. Internationally famous, unique decor, and Mark Twain lived here.

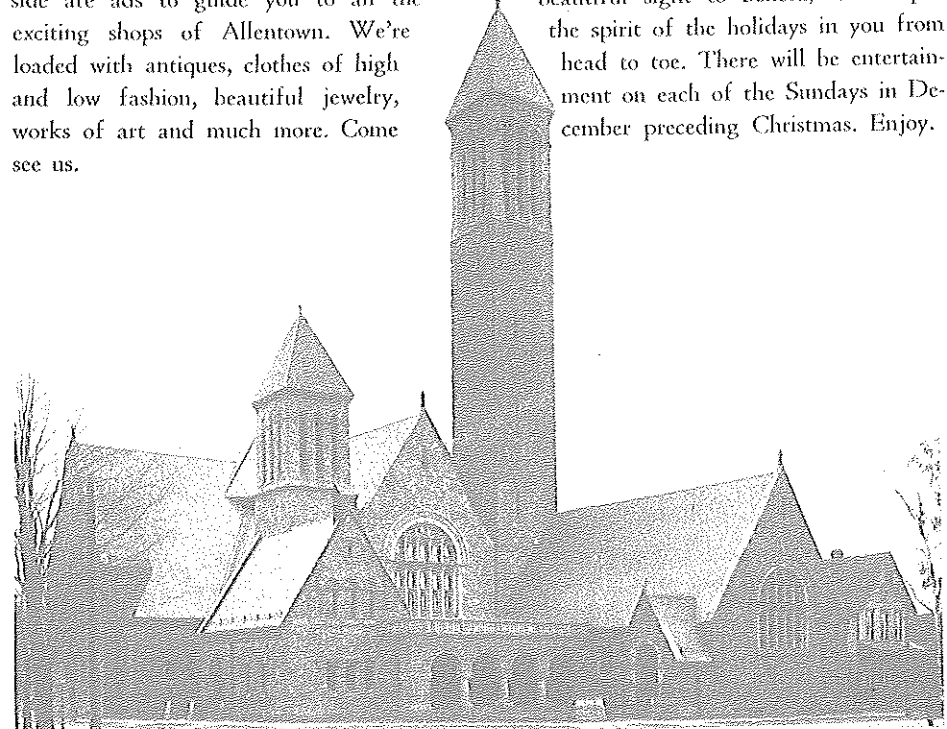

MANNY'S SUPPER CLUB, 471 Delaware Ave. at Virginia St., 886-9581. You wish you were in New York? It's better in Buffalo for steaks & white fish.

DI GUILIO'S "31 CLUB", 31 Johnson Park at Elmwood, 852-3131. A few blocks south of "Allentown", but we couldn't leave it out, New York-type steak house, only better.

Not sure what to buy for your friends, relatives and family for Christmas? There are many unusual gifts waiting to be purchased in Allentown. Allen Street is within walking distance of all the Delaware Ave. Hotels. Go for a stroll and find that something special for underneath the tree. Inside are ads to guide you to all the exciting shops of Allentown. We're loaded with antiques, clothes of high and low fashion, beautiful jewelry, works of art and much more. Come see us.

We are very fortunate to have one of the finest symphonies located right here in Allentown. Inside you will find their holiday schedule.

The Wilcox Mansion on Delaware Avenue will be decorated for its Victorian Christmas on Sunday, December 5th. A beautiful sight to behold, it will put the spirit of the holidays in you from head to toe. There will be entertainment on each of the Sundays in December preceding Christmas. Enjoy.

The First Presbyterian Church was the first religious body to be organized in Buffalo. This occurred on February 2, 1812 in the old Court House with Reverend Thaddeus Osgood, a missionary. The church, as we know it today, held it's first public service on December 13, 1891 with the Reverend S. S. Mitchell. Mr. Louis Comfort Tiffany is responsible for several of the windows in this beautiful Romanesque Church. Drop by some day and take a look — truly a magnificent work of art.
